

PRESS RELEASE – April 20, 2009

Will County Hispanic Republican Group established

**Contact: Ida Braghini
(815) 557-6262**

Joliet- A new chapter of the Republican National Hispanic Assembly has been established in Will County. Steve Orlando was elected Chairman at their first meeting held at the Will County Republican Central Committee Headquarters in Joliet. Ida Braghini serves as Vice Chairman, Joe Martinez as Secretary and Jim Eiden as Treasurer.

Orlando defines the primary goal for the RNHA of Will County as refuting the false claim that Republicans are for the rich and Democrats are for working men and women. “Our job is to create relationships with area Hispanics and show why Republican values and policies will empower us and provide the best opportunities for our families.” Orlando said.

Orlando goes on “I reject the myth that the Democratic Party is better for Hispanics. Too many Democrat politicians are now embracing socialist proposals, and every time socialism is tried the only thing it succeeds at is making people miserable!”

The RNHA of Will County will also help local Hispanics get involved in Republican campaigns. “We will go to areas of the county that usually don’t vote Republican and begin a dialogue with those voters,” Vice Chairman Ida Braghini says. Orlando adds “We are also looking for people who have the desire to serve the public by running for local office and when elected will perform responsibly and effectively for the people of Will County.”
